Upgrade to an Agent Liveinms.com (Spring)

If you have gone through the [initial registration process](#) and are an agent that would like to upgrade to professional access then you will need to ask for a upgrade by going through the following steps.

Login using the email address and password you created during the [initial registration process](#). Then click on your name or profile picture in the upper right hand corner of the webpage and go to My Profile.

On the my profile page, click on the upgrade button.

If you're an active member of the Spring MLS you can upgrade to an Agent account for free, quickly and easily.

To apply for an account upgrade, enter your agent ID you use to log into your current MLS platform. An MLS staff member will be notified and will upgrade your account if your information is verified.

Your agent ID is the ID you use to log into your MLS platform, not this website

Need assistance? Contact your MLS Staff and they will be happy to help.

After pressing submit, a request to upgrade will be sent to your MLS staff. Your staff will work as quickly as possible to process your upgrade. Once your request has been approved, you will receive an email saying your upgrade has been completed. The next time you log in, you will see features available for professionals including a new dashboard, in addition to features available to consumers.
