### NWMAR Affiliates:

Now is the time to be connected to the real estate business in Northwest Mississippi. Each week we hear of national recognition as one of the best places to live in the country. The recent study of the I-69 International Trade Corridor states that DeSoto County will see another 50% population growth between now and 2025! If you have not yet read this study, be sure to review it before the end of the year at: [www.nwmar.net/desotodiscovery.pdf](http://www.nwmar.net/desotodiscovery.pdf)

Now is the time to strengthen your business relationships, to be ahead of the crowd when word gets out that Northwest Mississippi is the place to be for economic growth. NWMAR wants to be your partner in preparing for this market growth with constant connections to the new Realtor® membership expected in the coming year. .

Now is the time to get involved in the Association as it grows in Community support and Leadership Development, with more programs than ever to help you network and build relationships within the Realtor® and local communities. Young Professionals, Helping Hands, and Leadership NWMAR are just some of the opportunities for you to grow in the coming months.

The **National Association of Realtors®** has taken a new direction to strengthen local and state programs that support Realtors® in their communities. New investments in what is going on locally will strengthen the value of what the Realtor® organization means to our area. We welcome you to be a part of our growth as an Affiliate Member.
