

Agent Inbox

Agent communication made simple

Agent Inbox is an all-in-one unified communications platform that has everything a real estate agent needs to message, schedule, and make a deal.

This Is A Game Changer

Soon you will be saying, "What did we do before Agent Inbox?"

Communicate

Message with any agent and sell real estate, together

Showing

Scheduling and routing showings are incredibly simple and effective

Brokerage

Keep agents and staff communicating, coordinating, and informed

Customer

Build more meaningful, personal, and productive relationships

Vendor

Integrate vital services, support, and chatbots at every step of the transaction

MLS Tools

Powerful support, messaging, and ticketing services, direct to membership

Already integrated into Flex MLS.

Agent Inbox works seamlessly across all your devices - iOS, Android, and Desktop
