

NWMS REALTORS® Association donate proceeds to Healing Hearts Child Advocacy Center.

Nesbit, MS- Members of the Northwest Mississippi Association of REALTORS® (NWMAR) presented a check to the Healing Hearts Child Advocacy Center totaling \$2,915.04. These proceeds came from their **Breakfast with Santa** event, which the association hosted in Dec. 2016. Members of NWMAR and volunteers around the community gave their time to serve the children and their families across the city. Santa Claus himself was there to make a special appearance.

The annual holiday event benefits the Healing Hearts Child Advocacy Center in Mississippi. The Healing Hearts Child Advocacy Center's mission is to respond to child abuse with a supportive team approach through advocacy, treatment, education and prevention. This one of the many charitable organizations that NWMAR donates to throughout the year as a part of their on-going initiative called **REALTORS® Reaching Out**.

Northwest Mississippi Association of REALTORS® is a part of one the largest and influential trade organizations in the state, locally representing over 900 members involved in all aspects of the real estate profession. To learn more about NWMAR, visit their website at www.nwmr.com.
