REALTORS® give back to The Tunica Humane Society by donating items to the dog park.

Tunica, MS- REALTORS® from the Northwest Mississippi Association of REALTORS® gathered together on Oct. 19 to volunteer their time at Tunica Humane Society on Wednesday. REALTORS® Reaching Out is a motto that NWMAR values their commitment not only to their members but to the community they serve.

Each year, members of the association participate in an outreach project to help the people and animals of Tunica Humane Society. This year, the members voted to donate additional items to the park at the Humane Society for the animals. The dog park is located outside and includes an obstacle course and fire hydrant.

Some of the members helped with landscaping, feeding and taking some of animals to local vet. The Tunica Humane Society is operated by a local realtor Sandy Williams, who rescues animals from dire living conditions. She treats them at the shelter until they find a suitable home.

Williams expressed her gratitude towards her REALTORS®.

“Tunica Humane Society was so honored to have the REALTORS® from NWMAR volunteering with us again this year. All the REALTORS® I know take pride in their communities and we were deeply touched to be on receiving end of their good works on Wednesday.”

Northwest Mississippi Association of REALTORS® is a part of one the largest and influential trade organizations in the state, locally representing over 900 members involved in all aspects of the real estate profession. For additional about the organization, visit our website www.nwmr.com.
