Northwest Mississippi REALTORS® volunteer their time with the Mid-South Food Bank's monthly food distribution

Nesbit, MS- REALTORS® were back in the community again on April 17th to help eliminate hunger in the Mid-South. Numerous REALTORS® showed up at the Lander's Center to volunteer their time with the Mid-South Food Bank to help distribute food to those in need. The Mid-South Food Bank aims to change lives by providing food for families, children and seniors, and impacting their lives by solving one of the biggest struggles some members of our community face: getting enough nutritious food to eat to live a healthy life. This one of the many charitable organizations that NWMAR supports throughout the year as a part of their on-going **REALTORS® Reaching Out** initiative. NWMAR values its commitment not only to its members, but also to the community. Real estate is focused on the community around us and REALTORS® strive to give back as much as possible.

Northwest Mississippi Association of REALTORS® is a part of one the largest and most influential trade organizations in the state, locally representing over 900 members involved in all aspects of the real estate profession. To learn more about NWMAR, visit their website at www.nwmar.com.
